

EIKON

EIKON

FOUR-DIMENSIONAL
LUXURY AND TECHNOLOGY

EIKON TACTIL

EIKON EVO

EIKON CHROME

EIKON TOTAL LOOK

FOUR AESTHETIC DIMENSIONS.

Elegance, excellence, value: there's no such thing as a single idea of luxury. Luxury is a dimension with many interpretations, all in constant evolution. And if we're talking about energy, this dimension is Eikon. Every concept of luxury finds its perfect expression in Eikon: technological, chic, sophisticated, essential. Four product lines with different dimensions, finishing and functions, but sharing one common denominator: controlling energy superlatively.

ULTIMATE TECHNOLOGICAL EXPRESSION.

When ultimate aesthetic expression joins forces with avant-garde technical functionalities, the result is absolutely unsurpassable: the four Eikon lines not only embody an apex of contemporary formal elegance, they also personify and express truly advanced technology. Take the performance of the By-me home automation system: intuition and simplicity offering energetic efficiency, maximum control and absolute safety and security. The result? Total comfort, tailor-made for every individual vision of the ideal habitat.

EIKON TACTIL

A technological jewel, as pure as a diamond and as light as a feather.
Transforming normal everyday gestures into special moments of pleasure.

EIKON EVO

A celebration of sculptural beauty, exquisite finishing and functional elegance.
Transmitting unprecedented charisma and allure to any room.

EIKON CHROME

A new definition of style where detail is supreme.
Distinction with discretion.

EIKON TOTAL LOOK

The ultimate expression of simplicity, in shape and colour.
Uncompromisingly in command.

EIKON TACTIL

THE FUTURE
TAKES SHAPE

VIMAR

SEDUCTIVE

RIGHT FROM THE FIRST TOUCH

Lightly touch the luminous glass surface and pause for an instant to admire the delicate glow of the crystal finishing. A featherlike gesture of the finger turned by elegant touch technology into a commanding control over energy.

VIMAR

SENSITIVE

TO YOUR PRESENCE

Eikon Tactil is home automation intelligence that reads your mind: the command proximity sensor detects your approach and, without waiting for a command, activates the device: the commands light up, waiting for your touch.

EXQUISITE

TRANSPARENCIES

Unrivalled purity in an astonishingly beautiful material: the crystal employed in Eikon Tactil is an unmistakable signature that exudes refinement while displaying extreme toughness. In four colour variants, to suit every style. The backlighting of the home automation system commands can also be personalised thanks to its RGB leds.

LUMINOSI

CRIYTAL

Diamond black

Diamond white

A discreet and timeless allure plus a nonchalant elegance that effortlessly adapts to every context. In seductive hues housing perfect technologies.

Aqua

Pearl grey

A shining choice, with the harmony of diamond white, the purity of diamond black, the delicate shading of aqua and the timeless mystery of pearl grey.

EIKON EVO

LUXURY
UNVEILED

IMPERCEPTIBLE

IN PROFILE

An impeccable silhouette, lightly wafer-thin, protruding only millimetres from the wall thanks also to its axial controls. Seen in profile, Eikon Evo offers a subtly fascinating and impalpable presence, in tune with current interior design trends. An aery lighting command-point with a strangely suspended effect. The design created for Eikon Evo in aluminium, wood and Corian® creates an elusive sense of detachment from eventual imperfections in the wall, conjuring up a floating sensation that highlights the finest materials and their finishing.

MAJESTIC

GEOMETRIES

Forms designed to make their mark, dimensions with a delicate presence on the walls: Eikon Evo projects a sophisticated but confident image: a perfect synthesis of Vimar's aesthetic principles. A switch plate that exalts the quality of its materials and their finishing.

ORIGINAL

MATERIALS

Eight different approaches to being, living and expressing luxury. Eikon Evo's stylistic options take their inspiration from the latest interior design approaches, distilling their essences and interpreting them in original and personal ways through unusual combinations of materials, colours and finishes. Offering you choices on who to be and how to appear.

PRIMARI

ANODIZED ALUMINIUM

Brillant aluminium

Next grey

Neutral bronze

Dark bronze

Lava grey

With their innate stylishness and unfailing allure, they triumph by projecting unpredictable kinds of sobriety. Presences at once discreet and prestigious, lines both tasteful and confidently defined. These are the five different shades of anodized aluminium.

ESCLUSIVI

REFINED ALUMINIUM

Silver

Titanium

Polished gold

Satin gold

Black sapphire

Highly original appearances, noble personalities, irresistible appeal. Rare and therefore precious temperaments: the five declensions of enhanced aluminium need only one glance to assert their priceless values.

SCOLPITI

CARVED STONE

Bianco di Carrara

Quarzite grigia

Ardesia a spacco

Strong and determined, they reveal themselves in all their solemn physicality. Rigorous by nature, they prefer bold cuts without compromising their richness and refinement. These are the three basic character traits of worked stone.

NATURALI

SOLID WOOD

White oak

Italian walnut

Wengé

Natural wood projects vitality and immediately transmits a pleasurable sensation of calm and warmth. Simple natural qualities that permeate their appearance... always uniquely unrepeatable... the triple essences of solid wood.

LUMINOSI

CRYSTAL

Silver ice

Bronze mirror

Diamond white

Aqua

Pearl grey

Opal brown

Diamond black

Imbued with mysterious energy, crystal exerts a spell of purity and splendour like nothing else. Wrapped inside its luminous and delicate appearance lies unequalled vigour and strength. These are the essential features of all seven of the different treatments used on crystal.

RAFFINATI

NATURAL LEATHER

Cream

Tobacco

Pure appeal. The delicate harmonious shapes highlight the marriage of sophistication with genuine naturalness. A beauty with a life of its own, immune to passing time, is evident in both these varieties of leather.

SPECIALI

CORIAN®

Glacier ice

An eclectic personality with the ability to enhance any room by its mere presence. The embodiment of high performance, innovation and intrinsic strength, this is a material that seduces through shining colours which signal its cutting-edge hi-tech content.

ESSENZIALI

TOTAL ALUMINIUM AND CRYSTAL

Total white

Total black

Total white diamond

Total black diamond

Like day and night: opposite but inseparable extremes, differently but matchingly absolute. In perfect equilibrium with their surroundings, they generate clean and clear harmonies. There are four such partnerships between aluminium with crystal: a quartet of elegant variations on a universal theme.

EIKON CHROME

DAZZLING
DETAILS

RECOGNISABLE

AT A GLANCE

Beauty can be transmitted from a detail. Like the smooth and shiny chrome-plated frame that surrounds Eikon Chrome's buttons and commands. A distinguishing element that provides a touch of pure class.

PERFECT

IN TWO SHAPES

Austere symmetrical lines or smoothly rounded edges? Eikon Chrome offers both possibilities through its Classic and Round design lines. Two ways of being and appearing, each with its own particular materials and finishes selected to fit the different shapes like a glove.

ECLECTIC

IN MATERIALS

Its materials are multiplied by five, the colours expressing the most varied lifestyles with extraordinary precision: Eikon Chrome's versatility never loses touch with impeccable formal elegance. Thanks to the chromed frame and its innate gift for sophistication.

BRIGHT

VARNISHED METAL - CLASSIC

Arctic white

Antique white

Metallic champagne

Metallic titanium

Metallic silver

Metallic Siena

Metallic anthracite

Matt silver

Matt titanium

Matt anthracite

Ten colours, both for the strict shapes of Classic and for the shiny curves of Round. Projecting personality onto a room with the assertiveness of simplicity and the reliability of metal painted with ecological paints.

VARNISHED METAL - ROUND

Arctic white

Antique white

Metallic champagne

Metallic titanium

Metallic Atlantic grey

Metallic silver

Metallic anthracite

Matt silver

Matt titanium

Matt anthracite

REFINED

REFINED METAL - CLASSIC

Satin gold

Satin nickel

Polished gold

REFINED METAL - ROUND

Satin gold

Satin nickel

Polished gold

Satin chrome

Seven different switch plate variants, both matt and shiny, match any style of furnishing. Nobility of character and immediacy, evoking an unmistakable feature: sheer excellence.

WOOD

SOLID WOOD - CLASSIC

African wengé

White oak

Italian walnut

SOLID WOOD - ROUND

American cherrywood

White oak

Italian walnut

The warmth of the best woods slips easily into modernity, being a material with a versatile temperament: three different shades both for the formal rigour of Classic and the rounded lines of Round

INOX

STAINLESS STEEL - CLASSIC

STAINLESS STEEL - ROUND

Brushed inox

Brushed inox

The icy perfection of steel is expressed in two versions where only the shape changes. Natural brushed steel is the material for both Classic and Round, projecting a brightly uncompromising personality.

GLASS

CRYSTAL - CLASSIC

Black ice

White ice

Silver mirror

An image of sophisticated discretion: exclusive procedures produce the fire-shaped crystal in the Classic style. In three traditional colour variations: black, white and silver. But the class of glass is simply evergreen.

EIKON TOTAL LOOK

HARMONY IN
COORDINATING
COLOURS

SIMPLICITY

IN COLOURING

Delicately luminous in white, elegantly refined in anthracite grey, technologically modern in Next silver: Eikon Total Look evokes absolute beauty through just three colours. Buttons and controls perfectly match the colours of the switch plates and the frame around them, proclaiming a monochrome vision.

DUAL

FORMS

Two kinds of shape, dual personalities: Eikon Total Look Classic asserts itself with sharp clear lines, while Eikon Total Look Round reveals a milder attitude, sinuous and smooth. To let you choose the design that brings out the best in your interior styling.

UNEQUIVOICAL

MATERIALS

Metal is both a functional and aesthetic choice, in a line where buttons and switch plates cohabit in perfect colour harmony. In white, anthracite grey and Next silver, luminosity becomes a kind of matter.

BRIGHT

VARNISHED METAL - CLASSIC

Matt anthracite

Arctic white

Matt silver

White for purity, anthracite grey for modernity, silver for allure. And again, clear sharp lines or soft curves. Whatever the context, Eikon Total Look contributes to any space with its discreet and decisive present-day presence.

VARNISHED METAL - ROUND

Matt anthracite

Arctic white

Matt silver

CARING

ABOUT DOMESTIC ENERGY

The functions applied to Eikon technology provide you with a rapid picture of your home's energy profile, organizing and visualizing both the production of energy and its consumption, either considering the entire household or else every individual device. Offering an unprecedented energy awareness which helps avoid waste.

INTERNATIONAL

VOCATION

A technology that knows no borders and can be adapted to the standards and modularity of any country. Travelling with the unmistakable Italian touch of Eikon's switch plates, of course.

COORDINATED

IN EVERY APPLICATION

66
67

A technology that offers perfect aesthetic coordination between every application: supervision, commands and connections to any kind of network. A complete and coordinated control-point where beauty and functional excellence coincide.

ELEGANCE OF COLOUR

A choice of three colours for buttons and commands, ranging from the airiness of white to the sobriety of anthracite grey via the shining elegance of Next silver. All in the name of a technology inseparable from aesthetic appeal.

COMPLETE CONTROL

Eikon Tactil domotic device

Axial devices

Infrared devices

Radiofrequency devices

A whole range of control tools available to meet the needs of every situation. Soft-action axial command devices, radio-frequency technologies without need of wires or batteries, infra-red electronics or touchscreen home automation intelligence. Your whole home obeys your will, and all functions can be coordinated with each other in a given scenario, and can be controlled from a distance via PC, smartphone and latest-generation tablets.

EFFICIENCY

FOR COMFORT

3-module touch screen

Universal dimmers

Timer-thermostat

Modular lights

Touch-technology devices that manage to transmit wellbeing like music through every room, universal regulation for lighting – including colour variations – timer thermostats programming temperature hour by hour and room by room, and modular lights for every situation. Efficient technology at the service of your comfort.

RATIONALISATION OF ENERGY

Thermostat

Loads control

Timer-switch

3-module touch screen for

Energy should never be wasted. Ever! Thermostats that adjust temperatures according to changing everyday needs, control systems for electrical loads, for power consumption and for visualizing energy produced, programmed timers for activating devices at the right hours... in other words, rational management of energy throughout the home, because Eikon also means energy awareness.

RELIABLE

SECURITY

Digital keypad

Video camera and microphone

Methane gas detector

Interlocked sockets

An avant-garde technology silently protects your home and the people in it at every moment, day and night. And it can warn you of emergencies by text message or email wherever you may be. Various kinds of burglar-alarms and detectors, ccv cameras in every room, gas sensors to signal and seal off gas leakages, and blockable electric sockets offering protection from accidental contact.

SURPRISING

MULTIMEDIA OPTIONS

3-module touch screen

Docking station

USB, HDMI, RCA sockets

Eikon Tactil device for sound system

Connecting with the outer world, or simply providing enjoyment: technology is also about pleasure. Eikon can guarantee exceptional multimedia performance via an extensive and superlative sound system, a wide range of inputs for data, sound, video and USB, and compatibility with iPod, iPhone and mp3 devices.

GLOBAL STANDARDS

Universal installations system

Foreign standard sockets

Modularity

Wherever in the world you may be, Eikon can provide plugs and sockets for every standard, and commands and switch plates offering various kinds of modular system: this means you can design, organize and manage energy with equal ease in over 100 nations across the world.
